

Preparation for Next Segment

Ready to listen to 'more rigorous' stuff

P450 down-regulation
secondary to
non-youth

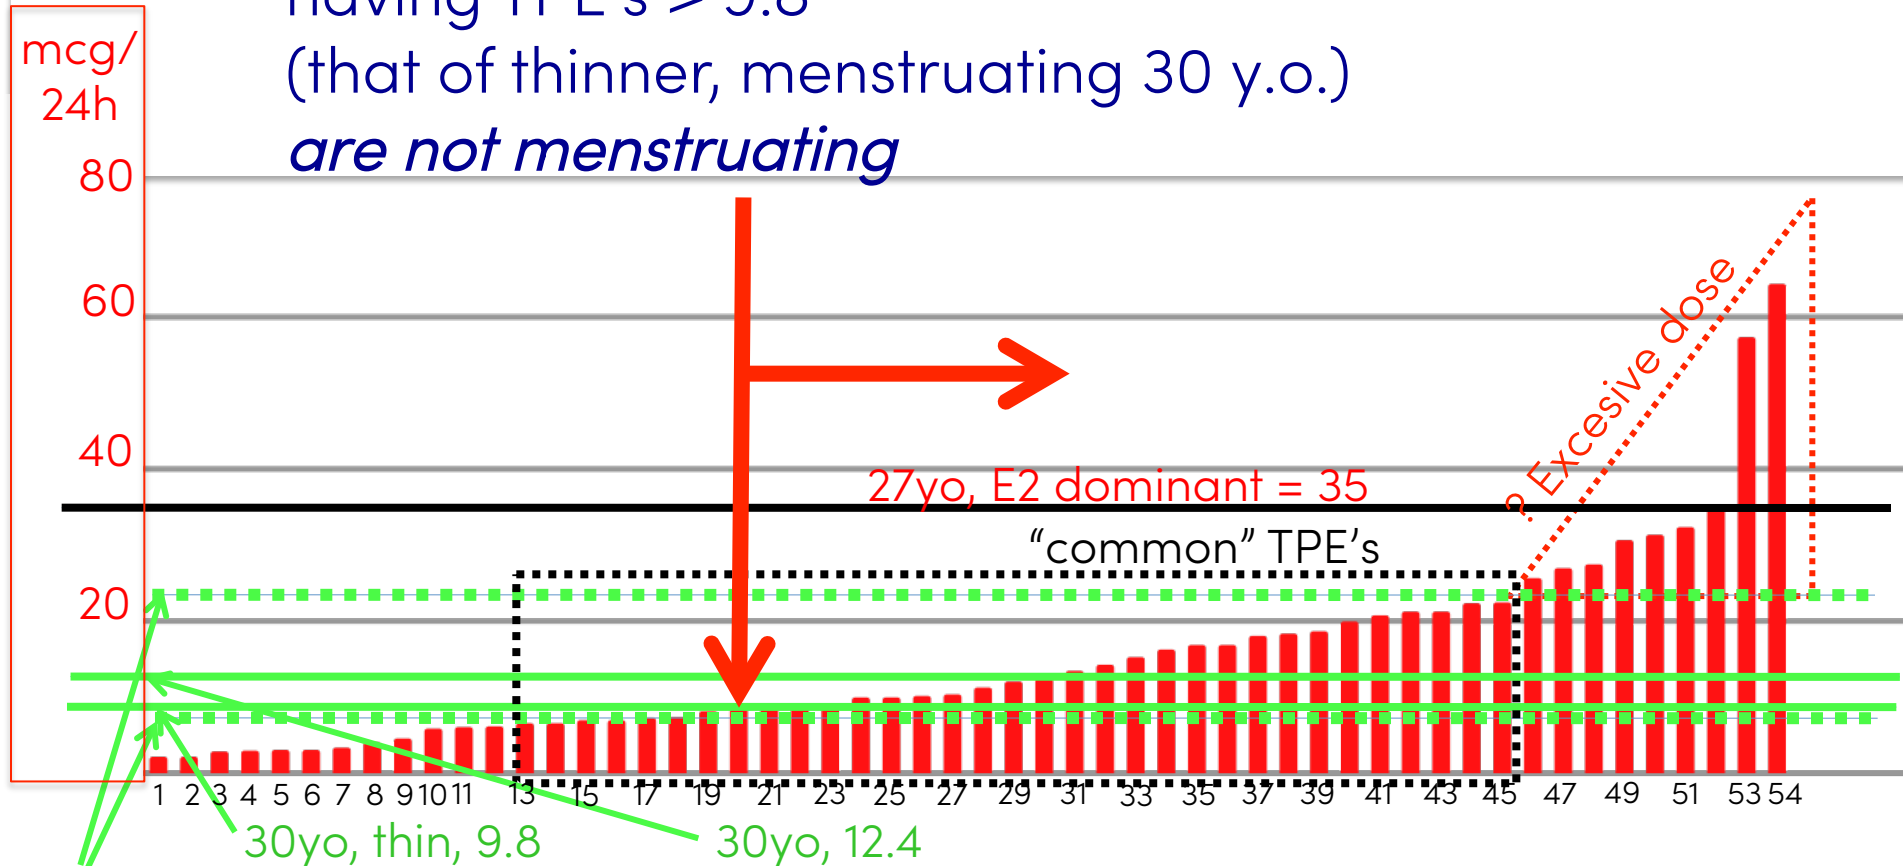

Coffee amplification

Variation in Total Potent Estrogens (TPE's)

There's more to menstruating than TPE's & Dosage

These treated menopausal women,
having TPE's > 9.8
(that of thinner, menstruating 30 y.o.)
are not menstruating

Common reference range of E2 + E1 \approx 8 - 14 [-24] mcg/24h
